

THOR'S HAMMER

MOTHER'S DAY GIFT GUIDE

GIFT IDEAS FOR YOU MUM, CAREGIVER OR THAT
SPECIAL SOMEONE IN YOUR LIFE.

KOITOYA OVAL PLATE

KOITOYA designs and makes wooden craft and furniture and runs woodwork courses based on traditional Japanese skills and ideas.

Hiroshi Yamaguchi, the founder, gained his experience and skills in a traditional, private school in Takayama, Japan, a town famous for its carpentry tradition.

After 17 years designing, creating and teaching craft and furniture making in Japan, he moved to Canberra in 2012 with his family and established KOITOYA in 2015.

Materials

Japanese Cherry timber from MonoMori sustainable forestry project in Gifu Japan.

Finish

Hand carved timber finished with walnut oil.

Description

Designed and made by Kaya Nagaoka, Gifu.

Price

ORIGINAL ARTWORK

Hayley Lander explores how landscape painting processes can be used to convey the complexities of the relationship between humanity and nature.

Sites of human generated change in Canberra's suburban environment are inspiration for her artwork. Experimentation with the application of paint draws a connection between the construction of an environment with her own construction of a painting as the materials are manipulated on the surface of the support.

Artist name: Hayley Lander

Artwork title: Idols of contentment

Year: 2018

Medium: Oil on board

Size: 38 x 45cm

Price: \$980.00
